19 Sep 79, subj: Long-Range (10-Year)
Communications Requirements (DDA 79-
2348/4; OL 9 3967)
(b) Memo for ADP Control Officers, fm D Div.,
dtd 3 Oct 79, subj: Instruction for
Preparation of Project MERCURY Require-
ments.

1. As requested in reference b, attached are descriptions of some of the Office of Logistics (OL) long-range objectives which have Office of Data Processing (ODP) and Office of Communications (OC) implications in the future. These requirements have not necessarily been firmly established by OL, but offer some possibilities for examination and development in the coming years, and which should conceptually be considered in the Project MERCURY planning.

2. Please contact [redacted] the OL, DDA ADP Control Officer for Project MERCURY, if we can be of further assistance.

Atts.
